Important for Payments: As soon as we received the money on our account, your registration is fixed. If you are not paid until qualification day you are not allowed to compete. Please make sure that your registration is not completed before you have paid. Remember signed disclaimer too. If you haven't paid before you arrived → you have to pay in cash on site, make sure that you have to do it before starting the official qualification 27th of January. We don't accept this year any other option and without paying advanced you can't participate riders cup /qualifying or finals. Even you are registered via atsx. (No refund if you are not able to participate.) Thank you!
